PRESENTS A SPECIAL, LIVE NATIONAL WEBCAST**

# **Media Literacy for the 21st Century: We Are All Journalists Now**

A special iQsmartparent presentation  
produced by WQED Multimedia

**MARCH 2, 2018 | 11:30AM (EST)**

**[www.iqsmartparent.org/webcasts](http://www.iqsmartparent.org/webcasts)**

This special one-hour live webcast will include regional and national experts who provide crucial information to help young people and adults develop critical thinking skills; learn how to authenticate information; improve accuracy and clarity in writing; and distinguish the different types of information they encounter on the internet and in the news media.

What is the future and fate of journalism – and our democracy – now that technology gives every citizen the chance to be his or her own broadcast tower?

**Record, Write, Post . Join the conversation.
