

Learning to Sort

Extend the Moment

- ❖ Can you identify the flowers and plants you collect?
- ❖ Talk about the different textures of the items you collect.
- ❖ Try walking in a different neighborhood than your own - what similarities and differences do you notice about the things you can collect?

PBS Resources

Collecting and Sorting | In this video segment from PEEP and the Big Wide World, real kids explore how to group different objects together in collections based on their characteristics.
