Dance

**Extend the Moment**

1. Make a list of action words before you start
2. Put them in a bowl
3. Pull a different one each time you start a new dance
4. Change up the music you dance to, speed it up or slow it down.

DANCe PARTY!

Dancing is a great way for kids to get exercise, express their creativity, communicate feelings, and enjoy music. Try some of these dance ideas together!

**Freeze Dance**

Kids dance like they can’t stop, and then freeze like a statue.

- Put on music and have everyone dance.
- Stop the music suddenly—everyone freezes in place!
- Repeat by restarting and then stopping the music again.

**Retro Moves**

Invite kids to learn your favorite dance choreography from the past.

- Teach your child the basics, then put on some music and boogie!
- Ask your child to show you the dance he or she did in class. Can you guess what he or she is imitating?

**The “Add-On” Dance**

Together, make up a dance, step-by-step. Can everyone remember the moves?

- The first dancer does a dance move (“jump up and down,” for example).
- The next dancer adds a move (“jump up and down…then spin around”).
- Continue to add steps. When the dance has at least three moves, perform it together.
