

## Student Career Interest Survey

Directions:

1. Read through the listed activities on the left hand side and put a check the box if it sounds like you.
2. When you are finished, count the number of checkmarks you have for each interest area (it's color coded to make it easy). The highest amount of checks in one area shows that you have more of an interest in that area. It is possible to have more than one interest area.

Activity	Checkmark
Bake a cake	
Be the boss	
Be the leader	
Build a robot	
Build something	
Create new rules	
Design a video game	
Do a science experiment	
Follow directions
