

Survival Shelters

Supplies needed

- Stuffed animal
- If outside: sticks/leaves/rocks
- If inside: blankets/pillows/chairs

Conversation Starters: These are questions to ask while working with your child.

- What animals around us need to build survival shelters?
- Do we see evidence of survival shelters around us?
- Do you think animals who live in warmer climates still build survival shelters?
- Do you remember what the letters BLISS stand for?
Why do you think those words are important for a survival shelter?
