

## Episode 2: Paying Attention to Detail

Chloe and Sam were twin sister who lived in the same room since the day they were born. Sam's side was     COLOR.     and Chloe's side was     DIFFERENT COLOR    . Sam's favorite animal was     ANIMAL     and Chloe's favorite animal was     ANIMAL    . It was normally very easy to tell which things belonged to which sister. One     MONTH     day, though, things were different. It was their birthday and their great aunt     GIRL NAME     was coming to visit. She brought them both     ADJECTIVE.     bags filled with candy and a gift! They were     COLOR.     purses! They were both super excited until they realized the purses were exactly the same. They     VERB.     to their mother who simply laughed and said, "Looks like you'll just have to be careful." The very next day Chloe went to     PLACE.     and took her purse. She spent all     BIG NUMBER.     dollars that she found inside. Sam did not go with Chloe but instead went to     PLACE.     and used up all the     FRUIT.     chap stick she found inside of her purse. When they both     VERB.     home they realized they had each other's purse! They     VERB.     and giggled and returned the bags being sure to write their names on the immediately.
